

# MercoMax™ Put Food Quality First

**NEW & ADVANCED**

## MercoMax™ Holding Units

**PERFECT FOR HOLDING CRISPY & JUICY PRODUCTS**

### AIRFLOW TECHNOLOGY

Optimized airflow to surround the food—climate controlled to maintain the perfect holding temperature

### NEW AIR DIFFUSER PLATES

EZ Clip holds plate firmly in place and is easily removed for cleaning

### DUOHEAT TECHNOLOGY

Delivers heat using the perfect combination of convection and radiant heat

### STAY-CLEAN TIMER BARS

Flush-front timer bars do not collect food or debris—easy to wipe and keep clean

### COOL TOUCH EXTERIOR

Robust stainless steel construction keeps heat inside

### MOISTURE CONTROL

Balanced humidity—designed for both crispy and juicy products
